

Advised Labs map format

During exercises you will only need to adjust following link.

Paths

```
: 1 directory = r"C:\Users\jef.rutten\OneDrive - Tobania\Desktop\Ieseg exercices\Labs\IESEG Exercises"  
  2 inputData = directory + "/Data"
```

The Ieseg.py file contains specific functions that will be used during the labo-sessions. Make sure to upload this file in the directory
